### **The Mosaic Company**

Hi Dennis,

Thank you for speaking with me this morning. Please advise the impacted employees that we are actively recruiting in central Florida and Louisiana for many positions. They can be found at [www.mosaicco.com/careers](http://www.mosaicco.com/careers). I have also attached an overview of our project in Saudi Arabia. We are building a Phosphate and Ammonia facility from the ground up and are looking for people to fill the management roles. This is a three year expatriate assignment. You can feel free to provide my contact information to them if they are interested. Thanks, much.
